E are extremely pleased here with two Events that have lately happen'd; the first is, the Retreat of the Spaniards into the Kingdom of Naples; the fecond, the opening again our Communication with the Republick of Venice; tho' we still continue to oblige Persons and Goods, that come from a Quarentine. Card. Aqua-

ee by Sea, to perform a Quarentine. Card. Aqua-declares publickly, that the March of the Count de declares publickly, that the March of the Count de into the Neapolitan Dominions, ought to be control as an Advantage to his Sicilian Majefly; fince the le, thro' the Intrigues of the Partizans of the House Adria, were on the Point of revolting; whereas, they are convinced that the King has a Part of his y, which he may fafely trust, they begin to ack to entirolly; fo that, it is possible, they may in a gon loyal by Example. In the Night, between and ad at the Palace of Barberini was half burnt, had been totally consumed, if the Servants had not rede their Lives to stop the Progress of the Flames; is, the Loss is very considerable, as well in respect the Damages received by the Structure, as by the of the rich Furniture and Pictures.

Antifer, April 12. Ever fince the Arrival of the set of the Bariere, his Imperial Majestly confers with

accepted, April 12. Ever time the Africal of the state of of Ambassidor. We have been surprized here, with count that a Body of Hungarian Troops are in sulta, in order to get between his Imperial Majesty's es and the French, to prevent their becoming nucles enough to think of invading Bivaria. We have News from Manheim; and it is faid, that the Vante Austrians are expected in that Neighbourhood bily, tho' the Queen of Hungary has not sent her its Regulsiorial to the Elector. We, for this Reabelieve, that this Account is not well founded, and the Event will demonstrate these Forces are really add for the Netherlands; where, in the Judgment or Cost, the Austrians will exert their utmost

gus, April 18. All our Advices from Germany agree, not only the People of Bavaria, but also the Princes Empire, are very much chagrin'd at the Hard-afferd by the Inhabitants of that Electorate; and the Inhabitants of that Electorate; and ms, pleased with the Reports that have y so Mesns, pleafed with the Reports that nave fored, as to giving the Emperor an Equivalent for nee fuch Exchanges have a direct Tendency to dethe Confitution of the Empire. Some Apprehenof this Sort, hinder the affembling a neutral Army
birvation; for a certain Court having fuggested,
the true Design of such an Asmy was to settle an
ammodation between the Courts of Vienna and
thort, which was to be brought about by seculagertain Bishopricks; this immediately raised such
outs in the Ecclesistical Princes, that they deterd to frustrate that Design. We learn from Madrid,
the Prince of Assurias is much better than he was,
frequently takes the Diversion of Hunting in his
is but that his Carholick Majesty has been, of late,
offed, and very seldom appears in Publick. The
de la Ville received an Express this Morning from
Dourt; since which, a Rumour has been spread,
the French have fore'd a Passage over the Var, and
actually invested Nice.
